

OUR COVID-19 GUIDELINES

Dear Valued Guest,
Your safety and that of our staff are our top priority.

We want to reassure you that we've considered every aspect of your stay so that we can still offer you a great experience and fantastic friendly service while we all remain safe and well.

We've put the following service and safety procedures in place to ensure your time with us is as comfortable and safe as possible. These may change from time to time according to the latest advice from government and UKHospitality, which we'll be monitoring continually.

Kind regards,
Sue Scalora
Manager

OUR TEAM

□ All our staff have undergone complete hospitality training on how to prevent the spread of Covid-19.

CHECK-IN AND CHECK-OUT

□ CHECK IN TIME between 3pm-8.30pm. If you will arrive later than 8.30pm, please contact us before your arrival.

□ ROOM KEY - To reassure you that when we give you your room key, this has been cleaned with an anti-bacterial spray.

□ CHECK OUT TIME ON DAY OF DEPARTURE IS 10 a.m. If you are leaving earlier than this time please inform the Reception.

FOOD AND BEVERAGE

□ BREAKFAST will be from 07.30 to 09.30am. To prevent having too many guests in the Dining Room at one time, we will ask you to let us know what time you would like to have breakfast. If there are too many people wanting the same time, then we may ask you to change the time slot.

Please wait outside the Dining Room until a staff member allows you in, they will allocate you a table and will take your order.

Do not wander around the Dining Room, if you should require anything please beckon one of the staff. After you have finished eating, the staff will clear the table for you.

□ Please do not enter the Dining Room at any other times.

□ Unfortunately, we have to close the Hub. There are no facilities for guests to store chilled food or to heat up food.

SERVICES & FACILITIES

□ ROOM SERVICE has been discontinued. Please leave the 'Welcome Tray' outside the door if you should require this to be replenished, no later than 11am.

□ LAUNDRY ROOM is available at specific times, please ask at Reception. We do not allow children in this room.

□ CHANGE OF TOWELS and LINEN - We will change the towels and linen on the 4th day of your stay if you're staying for 7 days or longer, but this can only be done in your absence due to social distancing.

□ PRINTING - If you need to print a ticket, please ask at reception for more details.

WHAT TO DO IF YOU BECOME UNWELL

□ If you should become unwell during your stay, please try and not to leave your room, but phone Reception on 020 7226 2663 between 07.00 – 22.00. If this is not possible then either go to Reception during Office hours or to the Emergency Contact.

If you have Covid-19 symptoms you will need to immediately self-isolate, if you are staying in a standard room, then we will move you to an en-suite room. You should contact NHS help line 111, and they will advise you and you can ask for a test. If you are confirmed to have Covid-19, you should return home if you reasonably can. Otherwise we will leave a tray with food & water outside the room for you, and when finished please put it outside the room for collection.
